

Dickey Manufacturing Company

1x4 SECURED Residue Label

Red & White - features a writable Initial & Date area

Made of Clear Polyester film PET, SECURED labels provide Tamper protection by Indicating a "VOID" message when label is removed.

Ideal as drum seals for chemicals, secure aircraft doors, food and duty-free carts; Pharmaceutical / Hospitals for drug bottles and medicine cabinet protection; Totes, Casino Carts, and Gas pumps.

Dual Red and White coloring provides additional security. Removal leaves a residue Void / Open message.

Proudly manufactured 100% in the USA.

Available in rolls 250 labels.

Stock 1" x 4" Red & White labels with writable area for initials and date.
