

Dickey Manufacturing Company

X-Seal

The X-Seal is a versatile smooth ribbon pull-tight seal manufactured from Polypropylene material.

The design features rolled heat staking technology to secure the metal spring insert to the body, which provides clear evidence of tampering if forced open or cut.

The seal is available in a standard length of 35cm (13.78").

Common Applications:

- Airline & Catering Carts
- Fuel & Oil Tankers
- Chemical Drums
- ATM dispensers, Coin boxes, Cash bags
- Gaming machines & Casino carts
- Mail bags, Fire doors, Lockers, Evidence bins
